GRADING

The University’s grading system may be found in the calendar at this link: https://www.ucalgary.ca/pubs/calendar/current/f-1.html.

A numerical mark will be given for each course requirement. A letter grade will be assigned on the following grade scheme, usually used within the Department of Classics and Religion:

A+   96 – 100%  Outstanding performance
A    90 – 95%   Excellent performance
A-   85 – 89%   Approaching excellent performance
B+   80 – 84%   Exceeding good performance
B    75 – 79%   Good performance
B-   70 – 74%   Approaching good performance
C+   65 – 69%   Exceeding satisfactory performance
C    60 – 64%   Satisfactory performance
C-   55 – 59%   Approaching satisfactory performance
D+   53 – 54%   Marginal pass
D    50 – 52%   Minimal pass
F 0 – 49%  Failure

When the final grade for the course is calculated, the calculated numerical mark will be rounded up or down to the nearest whole number before being converted to a letter grade. It is not necessary to pass each assignment in order to pass the course.

EXPECTATIONS FOR WRITING

All written assignments will be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization. Sources used in research papers must be properly documented. If you need help with your writing, you may use the writing support services in the Learning Commons. For further information, please refer to the official online University of Calgary Calendar, Academic Regulations, E. Course Information, E.2: Writing Across the Curriculum: http://www.ucalgary.ca/pubs/calendar/current/e-2.html

ADDITIONAL COURSE INFORMATION

ATTENDANCE AND PARTICIPATION EXPECTATIONS

Students are expected to attend class regularly and to be fully present and engaged in class activities and discussions. These are part of the participation grade, as outlined in the assessment components section above. If students miss a class session that is included as a component of participation, they must contact the instructor within 24 hours to discuss options.

CONDUCT

Students, employees, and academic staff are also expected to demonstrate behaviour in class that promotes and maintains a positive and productive learning environment. As members of the University community, students, employees, and academic staff are expected to demonstrate conduct that is consistent with the University of Calgary Calendar, the Code of Conduct and Non-Academic Misconduct policy and procedures, which can be found at: http://www.ucalgary.ca/pubs/calendar/current/k.html

GUIDELINES FOR ZOOM SESSIONS

Zoom is a video conferencing program that will allow us to meet at specific times for a “live” video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.

To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor’s permission.
The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the Code of Conduct). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g. Student Non-Academic Misconduct Policy). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: [https://elearn.ucalgary.ca/guidelines-for-zoom/](https://elearn.ucalgary.ca/guidelines-for-zoom/).

If you are unable to attend a Zoom session, please contact your instructor to arrange an alternative activity for the missed session (e.g., to review a recorded session). Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their instructor when they are expected to turn on their webcam (for group work, presentations, etc.).

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.

### COURSE EVALUATIONS AND STUDENT FEEDBACK

Student feedback will be sought at the end of the course through the standard University Student Ratings of Instruction (USRI) and Faculty course evaluation forms. A midterm evaluation may also be included to provide students an opportunity to provide feedback, for the instructor to adjust their approaches to teaching and learning, and to continuously improve the course. Students are welcome to discuss the process and content of the course at any time with the instructor.
