COURSE DESCRIPTION:

In this class, we explore how scholars (e.g., classicists, art historians, archaeologists) tackle the topic of dress in the Roman world. Not only do we learn the types of clothes that individuals wore, but also how clothing helps to provide insight on such topics as identity, culture and gender and the environment. Finally, students will also delve into classical reception to learn how select examples of ancient Roman clothing have been the source of inspiration for modern fashion houses.

Students will engage in interactive class discussions, critical reading, and writing.

***COURSE LEARNING OUTCOMES**

Upon successful completion of this course, students will be able to:

1. Analyse and develop a visual vocabulary for sartorial trends in Roman art
2. Think about how scholars have traditionally approached Roman fashion whether this is the way to continue
3. Develop persuasive communication skills through written work and discussion about Roman art and fashion

- 4. Develop an appreciation for how fashion trends from the ancient world are received in modern fashion houses

MISSED OR LATE ASSIGNMENTS*

If you miss a required component of the course, please contact me via email within 24 hours to discuss options to submit that component.

***GRADING**

A student's final grade for the course is the sum of the separate assignments. It is not necessary to pass each assignment separately in order to pass the course.

A letter grade will be assigned to the sum of the component parts of the course as reflected in the University's Graduate Studies Calendar 2021-2022:

A+	4.0	Outstanding
A	4.0	Excellent – superior performance showing comprehensive understanding of the subject matter
A-	3.7	Very good performance
B+	3.3	Good performance
B	3.0	Satisfactory performance Note: The grade point value (3.0) associated with this grade is the minimum acceptable average that a graduate student must maintain throughout the program as computed at the end of each registration anniversary year of the program.
B-	2.7	Minimum pass for students in the Faculty of Graduate Studies Note: A student who receives a B- or lower in two or more courses will be required to withdraw regardless of their grade point average unless the program recommends otherwise. Individual programs may require a higher minimum passing grade.
C+	2.3	All grades below B- are indicative of failure at the graduate level and cannot be counted toward Faculty of Graduate Studies course requirements. A student who receives a grade of F will normally be required to withdraw unless the program recommends otherwise.
C	2.0	
C-	1.7	
D+	1.3	
D	1.0	
F	0.0

GUIDELINES FOR ZOOM SESSIONS

If the need should arise where we need to pivot, Zoom will be used during course activities and these sessions will be recorded.

Zoom is a video conferencing program that will allow us to meet at specific times for a "live" video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.

To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor's permission.

The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the [Code of Conduct](#)). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially

associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g. [Student Non-Academic Misconduct Policy](#)). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: <https://elearn.ucalgary.ca/guidelines-for-zoom/>.

If you are unable to attend a Zoom session, please contact your instructor to arrange an alternative activity for the missed session (e.g., to review a recorded session). Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their instructor when they are expected to turn on their webcam (for group work, presentations, etc.).

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.

COURSE EVALUATIONS AND STUDENT FEEDBACK

Student feedback will be sought at the end of the course through the standard University Student Ratings of Instruction (USRI) and Faculty course evaluation forms. A midterm evaluation may also be included to provide students an opportunity to provide feedback, for the instructor to adjust their approaches to teaching and learning, and to continuously improve the course. Students are welcome to discuss the process and content of the course at any time with the instructor.
