COURSE DESCRIPTION:
In this seminar students will gain valuable experience in the practice of scholarship in their chosen area of interest. The seminar will focus on issues of social justice. Each student will research, present, and write about a social justice topic that is relevant to their own research. During weekly meetings, students will share their progress and critique each other’s work as they move through the process of writing a research paper over the course of the term.

This course will take place online via Desire2Learn (D2L) and Zoom. To best succeed in the course, students are encouraged to participate in the asynchronous learning tasks using the D2L learning environment and synchronous Zoom sessions. When unable to participate live due to the time difference or unforeseen circumstances, inform the instructor in advance and propose and implement an alternative participation activity (e.g., watch the recordings, submit a brief reflection, and actively contribute to the follow-up online discussion).
COURSE LEARNING OUTCOMES

Upon successful completion of this course, students will be able to:

1. Think critically about issues of social justice relevant to the past and present of Classical Studies.
2. Demonstrate improvement in academic research and communication, both oral and written.
3. Situate their own research projects within the past and present practice of Classical Studies.

LEARNING RESOURCES

Readings will depend on student interests, and will be assigned by the students throughout term.

MISSED OR LATE ASSIGNMENTS
Should a student miss a required component of the course, they must contact the instructor in writing within 24 hours to discuss options. Late assignments will not be accepted without acceptable rationale and supporting documentation if appropriate.

GRADING
The University's grading system may be found in the calendar here: https://www.ucalgary.ca/pubs/calendar/current/f-1.html.

The final course grade will be calculated according to the weights indicated under “Assessment Components”. A letter grade will be assigned to each component of the course according to the University's Graduate Studies Calendar:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
B 3.0 Satisfactory performance Note: The grade point value (3.0) associated with this grade is the minimum acceptable average that a graduate student must maintain throughout the program as computed at the end of each registration anniversary year of the program.

B- 2.7 Minimum pass for students in the Faculty of Graduate Studies Note: A student who receives a B- or lower in two or more courses will be required to withdraw regardless of their grade point average unless the program recommends otherwise. Individual programs may require a higher minimum passing grade.

C+ 2.3 All grades below B- are indicative of failure at the graduate level and cannot be counted toward Faculty of Graduate Studies course requirements. A student who receives a grade of F will normally be required to withdraw unless the program recommends otherwise.

C 2.0

C- 1.7

D+ 1.3

D 1.0

F 0.0

N.B. All written assignments will be graded with regard to both form and content.

**EXPECTATIONS FOR WRITING**

All written assignments will be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization. Sources used in research papers must be properly documented. If you need help with your writing, you may use the writing support services in the Learning Commons. For further information, please refer to the official online University of Calgary Calendar, Academic Regulations, E. Course Information, E.2: Writing Across the Curriculum: [http://www.ucalgary.ca/pubs/calendar/current/e-2.html](http://www.ucalgary.ca/pubs/calendar/current/e-2.html)

**CONDUCT**

Students, employees, and academic staff are also expected to demonstrate behaviour in class that promotes and maintains a positive and productive learning environment. As members of the University community, students, employees, and academic staff are expected to demonstrate conduct that is consistent with the University of Calgary Calendar, the Code of Conduct and Non-Academic Misconduct policy and procedures, which can be found at: [http://www.ucalgary.ca/pubs/calendar/current/k.html](http://www.ucalgary.ca/pubs/calendar/current/k.html)

**GUIDELINES FOR ZOOM SESSIONS**
Zoom is a video conferencing program that will allow us to meet at specific times for a “live” video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.

To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor’s permission.

The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the Code of Conduct). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g Student Non-Academic Misconduct Policy). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: https://elearn.ucalgary.ca/guidelines-for-zoom/.

If you are unable to attend a Zoom session, please contact your instructor to arrange an alternative activity for the missed session (e.g., to review a recorded session). Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their instructor when they are expected to turn on their webcam (for group work, presentations, etc.).

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.
