Course Description

In this course, students (Peer Mentors) will gain both theoretical knowledge of mentoring and practical experience in supporting their peers through the learning process. Peer Mentors enrolled in this course will act as a bridge between the host instructor and students in a course in which the Peer Mentors have previously demonstrated excellence; they will encourage and motivate learning, convey enthusiasm for course material, and provide support for active learning in and out of the classroom. Specific mentorship duties will be dependent on the host instructor's requirements and each Peer Mentor's vision of mentorship. This course will support Peer Mentors in their role by providing instruction in science-based learning theories and in principles and practices of group facilitation.

Responsibilities and Expectations

My philosophy of teaching is that it is my responsibility to 'set the stage' for learning to occur. It is my job to ensure that the classroom environment, support materials, and assessment tools used all support the conditions that allow students to learn. Feedback from students is very important in this so that I know whether such conditions exist, how well the course is going and where problems are arising. I encourage you to feel free to tell me about these things at any point in the semester. It is also my goal that, as much as possible, students will spend class time actively working with course material and applying what has been learned from the readings and lectures. This means coming to class prepared and willing to participate!

My expectations of you:

- treat others in class with respect. This means:
 - Be considerate, open, and encouraging of the contributions of other students in the class
 - Listen actively to others
 - Assume positive intent when receiving feedback from others
 - Be supportive of the efforts and initiatives of others
 - Restrict your use of laptops and other electronic devices to only those activities directly related to class
 - Be on time & come prepared; participate actively in class

What you can expect from me:

- Treat all students with respect

- Start and end classes on time
- Available outside of class time to discuss course content, practicum or any other course concerns
- Post materials on D2L in a timely manner
- Return graded materials within a week
- Reply to emails within 24 h (except weekends)

Additional Information

This course includes a 40-hour practicum as a Peer Mentor in your host class. Coordination of your practicum should take place in consultation with your *host instructor*.

Textbooks and Readings

All readings will be provided on D2L

Internet and electronic communication device information

Please be respectful of your classmates if you decide to use computers or other mobile devices during class time.

Assignments and Evaluation

Students will earn grades based on the **requirements they choose to complete**. Students must complete all the requirements at **AND** below their chosen grade. For example, students who aim to earn an A, must complete all 4 of the Learning Bundles, students who choose to earn a B, must complete Learning Bundles 1-3. Failure to successfully complete Learning Bundle 1 will result in an F grade.

Learning Outcomes for each of the 4 Learning Bundles:

- (1) *Practicum Learning Bundle* – Apply theories of learning and tools for teaching during the mentorship of peers in your host class
- (2) *Foundational Concepts Learning Bundle* – Explain and describe different theories of learning, tools for teaching and approaches of mentorship
- (3) *Reflection Learning Bundle* – Write critical reflections on experiences linking foundational concepts of learning/mentoring and the practice of teaching/mentorship
- (4) *Facilitation Learning Bundle* – Apply theories of group management, engagement, team building, and conflict resolution during facilitation within SCIE 511

To receive a D, you must complete the *Practicum* learning bundle to an “acceptable” standard as defined by the **Practicum Specifications & Rubric**

To receive a C, you must complete the requirements of a D, as well as complete the *Foundational Concepts* learning bundle to an “acceptable” standard as defined by the **Foundational Concepts Specifications & Reading Summary Rubric**

To receive a B, you must complete all the requirements of a C, as well as complete the *Reflection* learning bundle to an “acceptable” standard as defined by the **Reflection Specifications & Rubric**

To receive an A, you must complete all the requirements of a B, as well as complete the *Facilitation* learning bundle to an “acceptable” standard as defined by the **Facilitation Specifications & Rubric**

Additionally, for an A, you must produce a *Mentoring Philosophy* and pull together materials produced during the course into a professional *Portfolio* to an “acceptable” standard as defined by the **Mentoring Philosophy & Portfolio**

Specifications and Rubrics

Specifications for each Learning Bundle – for each Learning Bundle you must successfully complete **all** the points specified.

1. Practicum Specifications:

- Complete an *average* of **3 hours/week of practicum** with the host class where you provide mentorship to your peers (some weeks may be more than 3 hours, some weeks less, but *on average* the expectation is 3 hours per week).
- Conduct yourself professionally in interactions with your host instructor including attending and being on time for meetings (missing or arrive late to no more than one meeting in the semester without notice).
- Conduct yourself professionally in interactions and communication with students in the host class.

** This Learning Bundle will be assessed by your *host instructor* mid-semester and at the end-of-semester using the Practicum Rubric on D2L. Only the end-of-semester evaluation will determine successful completion of this Learning Bundle.

2. Foundational Concepts Specifications:

- Attend, be on time, and participate in our SCIE511 class activities and discussions with no more than **1 unexcused late/absence during the semester**.
- Submit at the **start of the first class (Sept 12)** a ~300-word typed *Semester Plan* outlining your goals you wish to work towards throughout the semester. Credit for this is awarded if the Semester Plan demonstrates sound academic effort, as measured by completeness and professional writing.
- Submit at the **start of each class (excluding the first class) (Sept 19 - Dec 5)** a ~300-word typed *Reading Summary* outlining the most important points of the reading(s) for the week.
- **10 out of a possible 11** Reading Summaries must be to an “acceptable” standard as defined by the Reading Summary Rubric provided on D2L.

3. Reflection Specifications:

- Submit at the **start of class every two weeks** (Sept 19, Oct 3, Oct 17, Oct 31, Nov 21, Dec 5) a ~800 word typed *Critical Reflection*.
- **5 out of a possible 6** Critical Reflections must be to an “acceptable” standard, as defined by the Critical Reflection Rubric provided on D2L.
- Critical Reflections less than 400 words will not be given credit.

** For Students to receive an “A”, for this Learning Bundle they must ALSO:

- On the **last day of the semester**, submit a ~600 word typed *Mentoring Philosophy* explaining your reasoning for mentoring, providing a brief description of how you mentor and justifying your beliefs about mentoring. The Mentoring Philosophy must be completed to an acceptable standard as outlined in the Mentoring Philosophy Rubric on D2L.
- On the **last day of the semester**, submit a *Portfolio* containing all the material produced during the semester including all submitted Critical Reflections and the Mentoring Philosophy as well as any other documents as specified in the Portfolio Rubric. The Portfolio must be completed to an acceptable standard as outlined in the Portfolio Rubric on D2L.

4. Facilitation Specifications:

- Facilitate 1 group “check-in”. Guidelines for your role in facilitating the check-in will be provided during the first class.
- In a small group of 2-3 students, facilitate a 40-minute class on a topic provided to an “acceptable” standard as outlined in the *Facilitation Rubric on D2L*.
- **At the start of your facilitated class**, provide to the instructor a detailed, typed ‘*lesson plan*’ for the class, identifying learning outcomes, pedagogical tools and techniques used, and motivation for approaches/strategies/tools used.

** Students will be given **three (3) ‘free passes’** that can be used to re-submit any written assignment (Reflection or Reading Summary) to get the work to an “acceptable” standard. The free pass and re-submitted assignment must be submitted **within one week (7 days) of the graded assignment being returned or mark being posted**. There is only one re-submission per free pass and the free pass must be completed and attached to the re-submitted assignment. Re-submitted material must also be accompanied by the original graded assignment and a brief summary (approximately one paragraph) describing how the student has revised their assignment in response to that feedback. Free passes can also be used to hand in an assignment **up to 1 week late**. Free passes are **not** transferable and will **not** be replaced if lost. **

** Students who *exceed* expectations *FOR A GIVEN* letter grade, will earn the “+” letter designation. For example, a student aiming to complete the “B” letter grade requirements who completes 6 out of 6 Critical Reflections to an acceptable standard (rather than 5/6) *and* 11 out of 11 Reading Summaries to an acceptable standard (rather than 10/11) will earn a B+ letter grade. To earn an A+ students must exceed expectations for **all** Learning Bundles. **

** Students who do not successfully complete **1 (and only 1)** of the specifications **within a single Learning Bundle**, will earn the “-” letter designation. For example, a student aiming to complete the “B” letter grade requirements, who only completes 4 out of 6 Critical Reflections to an acceptable standard (rather than 5/6) **or** 9 out of 11 Reading Summaries to an acceptable standard (rather than 10/11) will earn a B- letter grade. Students not successfully completing **more than one** of the specifications **within a single Learning Bundle**, will be assessed as **not having met the requirements for that Learning Bundle** and will drop to the Letter grade associated with the Learning Bundles they have successfully completed. This excludes the Practicum Bundle, which must be completed for successful completion of the course. **

Registrar-scheduled Final Examination: NO

Note: You do not need to complete all assignments and exams in order to receive a passing grade in the course.

Submission of Assignments: Please hand in your assignments directly to the instructor during class time. If it is not possible to do so, please email your assignment to your instructor **PRIOR** to the start of class to avoid a late designation.

Please include your name and ID number on all assignments. Personal information is collected in accordance with the *Freedom of Information and Protection of Privacy (FOIP) Act*. For more information, see <http://www.ucalgary.ca/legalservices/foip/foip-hia>

Note: It is the student's responsibility to keep a copy of each submitted assignment and to ensure that the proper version is submitted (particularly in courses requiring electronic submission). Including a version date in your file name may be useful.

Policy for Late Assignments

Assignments submitted after the deadline will not be graded unless you choose to use a 'free pass' for forgiveness of the lateness (up to one week after the due date).

Student Accommodations:

Students seeking an accommodation based on disability or medical concerns should contact Student Accessibility Services; SAS will process the request and issue letters of accommodation to instructors. For additional information on support services and accommodations for students with disabilities, visit www.ucalgary.ca/access/.

Students who require an accommodation in relation to their coursework based on a protected ground other than disability should communicate this need in writing to their Instructor. The full policy on Student Accommodations is available at

<http://www.ucalgary.ca/policies/files/policies/student-accommodation-policy.pdf>.

- Students seeking accommodation for transient illnesses (e.g., the flu) should contact their instructors. Whenever possible, students should advise their instructors in advance if they will be missing quizzes, presentations, in-class assignments, or group meetings.
- When accommodations are granted, they may take forms other than make-up tests or assignments. For example, the weight of a missed grade may be added to another assignment or test.
- For information on Deferrals of Final Exams and Term Work, see sections G.6 and G.7 of the *University Calendar* at <http://www.ucalgary.ca/pubs/calendar/current/g-6.html> and <http://www.ucalgary.ca/pubs/calendar/current/g-7.html>

Grading & Grade Scale of the Department of Communication, Media and Film

- Final grades are reported as letter grades as outlined in the section on Assignments and Evaluation.

Plagiarism

Using any source whatsoever without clearly documenting it is a serious academic offense. Consequences include failure on the assignment, failure in the course and possibly suspension or expulsion from the university.

You must document not only direct quotations but also paraphrases and ideas where they appear in your text. A reference list at the end is insufficient by itself. In-text citations must be provided, and readers must be able to tell exactly where your words and ideas end and other people's words and ideas begin. Wording taken directly from a source must be enclosed within quotation marks (or, for long quotations, presented in the format prescribed by the documentation style you are using). Paraphrased information must not follow the original wording and sentence structure with only slight word substitutions here and there. These requirements apply to all assignments and sources, including those in non-traditional formats such as Web pages or visual media.

For information on citation and documentation styles (including APA, Chicago, IEEE, MLA, and others), visit the links provided at <https://ucalgary.ca/ssc/resources/writing-support/436> . If you have questions

about how to document sources, please consult your instructor or the Writing Centre (3rd Floor TFDL, <http://www.ucalgary.ca/ssc/writing-support>).

Academic Misconduct

For information on academic misconduct and its consequences, please see the University of Calgary Calendar at <http://www.ucalgary.ca/pubs/calendar/current/k.html>

Research Ethics

Whenever you perform research with human participants (e.g., surveys, interviews, or observations) as part of your university studies, you are responsible for following university research ethics guidelines. Your instructor must review and approve your research plans and supervise your research.
